The girlfriend experience is the single most valuable thing you can sell, because it is what keeps fans for months and years instead of days. It is not about being fake. It is the deliberate craft of making a fan feel wanted, remembered, and glad he showed up. These scripts give you a warm, genuine-sounding starting point for every kind of GFE message. Fill in the [brackets] with the real detail you know about him.

Good morning / good night

Bookend his day. Low effort, huge retention.

morning you. i'm still half asleep but you were the first thing i thought about. what's your day look like?

going to bed thinking about our chat earlier. sleep well, text me when you're up so i know you're okay.

The 'I remembered' message

This is the whole game. A girlfriend remembers.

THE CALLBACK

wait, wasn't [event, e.g. your work thing] today?? tell me how it went, i've been wondering all afternoon.

how did things turn out with [detail he mentioned]? i actually thought about it. you can't just leave me hanging.

Make him feel chosen

not gonna lie, you're my favorite person to talk to on here. you make this feel easy.

i saved you for last tonight because i actually wanted to take my time with you.

Re-engage a quiet regular

Warm, never guilt-trippy.

hey stranger. you've been on my mind and i didn't want to let another day go by without saying hi.
how are you really?

i keep almost texting you and stopping. so here, this is me finally doing it. missed you.

Fill-in-the-blank frames

- 'thinking about you and [shared inside joke]. still makes me laugh.'
- 'you mentioned [detail] last time. did it work out? i want the update.'
- 'i had a [good/rough] day and honestly i just wanted to tell you about it.'
