Posting at random is the fastest way to burn out and confuse your fans. This calendar gives you a repeatable weekly rhythm that mixes free reach, connection, and selling, plus the 2026 dates worth planning content around. Rename the themes to fit your niche and run the same week, every week. Consistency beats intensity.

The repeatable week

Run this every week. Rename themes to fit your niche.

Day	Feed post	Story / DM	Sell
Mon	Fresh set, best-of-you shot	Poll: this or that	Soft PPV to quiet fans
Tue	Tease clip (10-15s)	Behind the scenes	Tip goal
Wed	Interactive: caption this	Voice note check-in	Mid-week PPV drop
Thu	Throwback / fan favorite	Q&A sticker	Bundle offer
Fri	Big weekend set	Countdown to a drop	Weekend PPV
Sat	Personality post	Casual 'me' chat	Re-send to non-openers
Sun	Warm, girlfriend energy	Plan next week with fans	Rest or renewal push

2026 dates worth planning around

Theme content around these for a natural reason to sell.

- New Year (Jan): 'new year, new content' relaunch and renewal push.
- Valentine's week (Feb): couple and date-night themes convert hard.
- Spring break (Mar): travel, bikini, and 'away from home' sets.
- Summer (Jun to Aug): pool, tan lines, and vacation content.
- Halloween (Oct): costume content is the single biggest theme of the year.
- Black Friday (late Nov): your one genuine discount event.
- Holidays (Dec): countdown bundles and year-end renewal drives.

Monthly theme ideas

- Pick one monthly 'hero' theme so your content feels intentional, not random.
- Batch-film two weeks ahead so a bad day never means an empty feed.
- Repurpose one shoot into feed post, teaser clip, and PPV. One shoot, three assets.
